2009-10

WELCOME!

Faith Formation is here to work in partnership with you, the family, to help pass on our faith to the next generation. Learning and living our Catholic faith can only happen with the support and participation of the family.

We cannot accomplish this faith-filled mission alone... **We ask that all parents make time to participate in the process by volunteering in some way.** There are various opportunities to assist and volunteer. Below are several choices that may interest you and fill a need. You are your child's primary teacher where they learn by your example and we in turn are blessed by your giving spirit.

- Catechist:** Plan and conduct a Catechetical session for children, youth or adults. Local and diocesan training will be made available throughout the year. Easy-to-follow lesson plans and craft supplies are provided. Share your faith with others.
- Co-Catechist:** Work together with another person and share the duties of the Catechist.
- Aide:** Assist the Catechist and or Co-catechist in their responsibilities; helping with snacks, assist with activities, etc.
- Parking Lot Monitor:** Patrol the parking lot Monday through Thursday nights to make certain students are safe inside the Worship Center and to promote general safety during the hours of 4:15 through 6:00pm (grades 1-4) and 6:00 through 7:45pm (Middle School).
- Table Monitor:** Greet parents as they sign-in/out their child/children for Faith Formation (grades 1-4). Responsible for obtaining signatures from authorized adults.
- Restroom Monitor:** Accompany the child/children to and from the restroom. Monitor the restroom area.
- Special Events:** Co-coordinate or assist in special events such as Advent Program, Vacation Bible School and retreats.
- Classroom Set-up:** Help set-up tables and chairs for Faith Formation on Mondays (arrive 15 min. prior to class starting) or take down tables/chairs on Thursday (arrive 5 min. after class).
- Office Assistant:** Help with administrative tasks pertaining to Faith Formation during office hours. Computer skills are helpful.

Thank you for sharing the gifts that God has given to you!
